A signed short term boarding contract is required in addition to sign stallion contract prior to breeding/move in.

The undersigned agrees to and shall indemnify and hold harmless Breeder and its officers, agents, and employees from and against any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation, court costs, and attorney fees, for injury or death to the mare and/or foal. Any person associated with Breeder is not liable for death, or any disease, accident, and/or injury caused to the mare and/or her foal, and that Mare Owner is not liable for death, or any disease, accident, or injury caused to the stallion.

4. Breeder requires the balance of the Breeding Fee, plus all unpaid board and expenses must be paid in full before the mare is released from Four Seasons Stallion Station.

5. Mare owner accepts that the burden of conception, timely ordering of semen, properly timing breeding and good insemination practices are placed solely upon the owner. Any and all expenses arising from care management and insemination is the responsibility of the mare owner.

Mare owner understands and complies with the following:

1. It is the Mare Owner's responsibility to notify Four Seasons Stallion Station of the pregnancy status within 35 days of insemination. Failure to contact Four Seasons Stallion Station by August 1st will result in a \$50 late fee to add the mare to the Stallion Breeding Report. Pregnancy check must be done by a licensed veterinarian to secure LFG.

2. To obtain a Breeders Certificate, you must notify Four Seasons Stallion Station (814) 282-8014 of the birth of the foal. This certificate will not be issued nor released until the account has been paid in full.

3. *Embryo Transfers:* Mare Owner agrees to notify Four Seasons Stallion Station that this is an embryo transfer mare. In the event of multiple embryos from a single flush, Mare Owner agrees to notify Four Seasons Stallion Station once the additional recipient mares have been confirmed in foal with a heartbeat present. The Mare Owner must then pay a Stallion Fee equal to the aforementioned Stallion Fee for each additional live foal. The additional Stallion Fee is due upon the additional foal(s) standing and nursing. Additional Breeder Certificates will be issued upon receipt of necessary stallion fee(s).

4. *Live Foal Guarantee:* Live foal means the foal shall stand and nurse without assistance. It is understood that if the mare proves barren, aborts her foal, or if foal is born stillborn, a return breeding will be guaranteed the following year only at Four Seasons Stallion Station providing that proper notification is received within 7 days of the occurrence. A live foal guarantee will apply to those mares that are certified in foal by a licensed veterinarian. Confirmation must be sent to Four Seasons Stallion Station in order to guarantee a rebreed. Confirmation can be in form of letter from attending licensed veterinarian. Breeder does not make any warranty or representation as to the quality or conformation of the foal, merchantability or fitness for a particular purpose, or that the foal will be free of any infirmity, conformation defect, disease or inherited trait.

5. *Rebreeds:* If the mare does not produce a live foal the first breeding season, the mare owner is entitled to a rebreed the following year. Mare owner will be subject to an additional chute fee, plus any additional attending veterinarian fees. If the Mare Owner fails to return the mare for breeding the following year, then any and all fees paid shall be forfeited, the right to rebreed is cancelled and the Stallion Owner is released from all further obligation of the contract, unless otherwise agreed to in writing and signed by all parties. All third year rebreeds are at the sole discretion of the stallion owner.

6. All Rebreeds and Donated or Compensation breeding's are subject to a \$325.00 Chute Fee. Any breedings that are won through Facebook Promotions done by Alexis Vanderhoof, Four Seasons Equestrian Arts Center, LLC or Four Seasons Stallion Station will NOT include a live foal guarantee. They are valid only for the year the breeding has been won.

7. This contract is valid for the 2026 breeding season only. Mare Owners may not purchase this contract with the intent to use in a subsequent season. In the event of this contract being paid in full, and the mare never being bred, this shall become a rebreed for the following season ONLY. An additional Chute Fee AND Booking Fee will be due at that time, and any difference in Stallion Fee is payable to the Stallion Owner.

8. This contract is a binding agreement between Four Seasons Stallion Station, Stallion Owner, and Mare Owner and is non-transferable unless otherwise agreed to, stated in writing, and signed by all parties. Any transferred breedings will incur an additional Chute Fee and completed paperwork by the new contract holder.

9. The Mare Owner agrees that the mare presented for breeding will be in good health and in sound breeding condition. Any mare certified by the attending veterinarian to not be in sound breeding condition shall not be bred and a mare may be substituted at no additional charge.

10. The Mare Owner agrees that nothing shall be posted or shared via social media that could be negatively construed regarding Four Seasons Stallion Station, Four Seasons Equestrian Arts Center, LLC, Alexis Vanderhoof, nor any of its employees, associates or affiliates. Furthermore, Four Seasons Stallion Station reserves the right to void this contract in the event this Agreement is breached. Any offending Mare Owner shall immediately forfeit any fees, payments or right to a rebreed.

11. Should the above-named stallion die or become unfit for service for any reason, then this contract shall become null and void and both parties are relieved of any further obligation hereunder. Any monies paid by the Mare Owner toward the Stallion Fee, shall be refunded at the sole discretion of the Stallion Owner.

12. When the Mare Owner signs and returns this contract to the Breeder it becomes a valid and binding contract upon both parties. All unpaid expenses will be paid upon receipt of an invoice or when the mare leaves the ranch, whichever is first. The mare and foal (if applicable) shall be released only upon payment in full of all outstanding balances, including those of the attending veterinarian. Monthly statements shall be mailed for services herein provided. Such statements shall be due and payable upon presentation.
